VISUAL ARTS AUDITIONS

HERE IS HOW YOUR AUDITION DAY WILL WORK:

You will arrive at the school at least 15 minutes before your scheduled audition time.

You will present yourself at the main foyer and someone at the reception table will tell you exactly where you need to be. Students will audition in groups of approximately 30, without parent supervision or parents present.

The audition will consist of two parts. Students will be split into two groups, one for each portion of the audition. This audition will last approximately 1 hour.

NOTE Though the audition will introduce new methods of drawing to most students, it is important for students to relax and try to understand and enjoy the process. The art instructors involved are experienced in teaching and assessing student ability, both trained and untrained.
